Introduction of Clubs by the Students

1 Gymnastics Club: Mr. Taira, our coach, was an Olympic athlete.

- 2 Japanese Archery Club: Most of our members are beginners, but we've been improving our skills. The good points of this sport are that you learn to be well-behaved and you will gain mental strength as well as physical strength.
- 3 Kendo Club: Through the practice of Kendo, you can become strong mentally and learn to be courteous.
- 4 <u>Judo Club</u>: Judo is one of the traditional Japanese martial arts. Manners, independence, nobility and dignity are highly respected.
- 5 Mountaineering Club: Although there are many obstacles to overcome in getting to the summit, once there, the view is beyond description.
- 6 Swimming Club: Swimming is a good aerobic exercise, and you will quickly get into shape.
- 7 <u>**Table Tennis Club**</u>: Feel free to join us. Even if you haven't tried this sport before, you can start learning from the beginning.
- 8 Tennis Club: We have been enjoying ourselves and doing well in some big tournaments.
- 9 <u>Soft Tennis Club</u>: Our goal is to advance to the quarter finals. We travel to the Kansai area to play against strong schools every summer.
- 10 **<u>Badminton Club</u>**: Badminton is much harder and more exciting than you might expect. You can also get rid of stress by playing badminton.
- 11 <u>Soccer (Football) Club</u>: We practice hard, which has lead our team to some success. Soccer is exciting as you never know what you can accomplish when you become good enough.
- 12 Rugby Club : We defeated Heisei Commercial High School by a score of 12-3 at a practice game recently.

- 13 **Basketball Club**: Our club motto is "Be considerate to others." We are aiming for the Inter-High-School Athletic Meet.
- 14 Volleyball Club: What is important for us is practice. We are proud of our team, so come and join us!
- 15 Handball Club: Handball is a combination of basketball and soccer (football).
- 16 Baseball Club: We practice very hard following the club's motto, which is "Doing your best is cool."
- 17 Softball Club: Sugiura Riko, our ace, can pitch a fastball up to 95 km/h.
- 18 <u>**Track and Field Club**</u>: We have nine running events, four jumping events, and four throwing events. You can find an event that you find enjoyable.
- 23 Cinema Club: We watch movies in the Audio-Visual Room every Tuesday after school.
- 24 Gardening Club: Last year we grew flowers in pots and put them in front of the station near our school.
- 25 Earth Science Club: We are going to climb Mt. Norikura to stargaze from August 1st to August 3rd.
- 26 Handicraft Club: We make stuffed animals and donate them to a nursing home every year.
- 27 Literary Club: Last year we created a children's story and visited a nearby kindergarten to read it to the children.
- 28 Fine Arts Club: You can try oil painting, watercolors, molding, or anything else you like.
- 29 **Brass Band**: We can't explain how we feel when we perform better than expected.
- 30 <u>Chorus Club / Choir:</u> We have opportunities to perform outside of school as well as at school. If you like singing, please come and join us!
